### Casters

Four casters, two of which have a fixing brake, provide a high degree of mobility and easy, safe handling

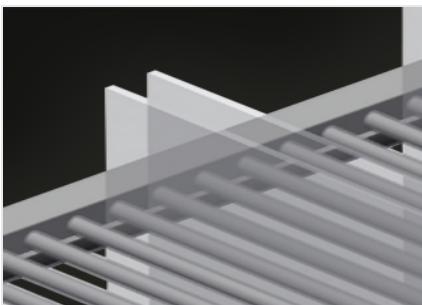

### Compartment divider with plastic protection

Compartment divider height is adjustable. All supporting surfaces have a non-slip PVC cladding which protects sheets of glass from damage during storage

### Easy loading and unloading

Well-organised storage provides quick access

### Back support with rubber strips

Rear supporting surfaces equipped with rubber strips protect sheets of glass from damage

### Bottom supporting surface of wood with felt

Lower supporting surface covered with felt. Additional plastic strips on the floor
