Casters

Four casters, two of which have a fixing brake, provide a high degree of mobility and easy, safe handling

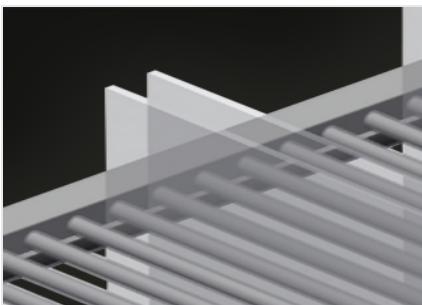

Compartment divider with plastic protection

Compartment divider height is adjustable. All supporting surfaces have a non-slip PVC cladding which protects sheets of glass from damage during storage

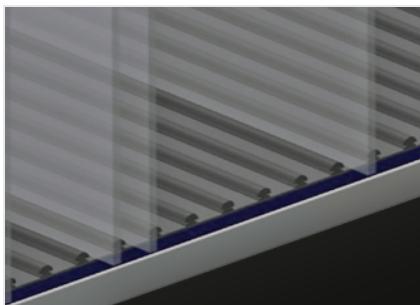

Easy loading and unloading

Well-organised storage provides quick access

Back support with rubber strips

Rear supporting surfaces equipped with rubber strips protect sheets of glass from damage

Bottom supporting surface of wood with felt

Lower supporting surface covered with felt. Additional plastic strips on the floor
